Faithful Reproductions

If it were necessary we would buy our goods in Paris but as we can get the faithful reproductions from New York made better, of finer materials, manufactured in this country at about one-third the price charged by Paris tailors, we buy in New York. Should you go to the city you could not get any better garments than we are showing, but you pay more for them, besides paying for all alterations.

Attractiveness of Form

A man or woman who wants to appear at their best on all occasions, carefully considers the best means to improve their appearance. Most women can protect and sometimes improve their figures by wearing the right corset. Did you ever wear a HENDERSON and continue to wear it to get the benefits it gives.

Notice to Correspondents

We have made arrangements with the Chautauqua management to supply all our regular correspondents with season tickets, and hope they have been received and that all can attend. In case any have been overlooked they can call at the office as they come to the meetings and use our extras on hand for the purpose. In case you can not attend or can be here only for one or two sessions, please mail us your tickets to be used as extras for our new correspondents or anyone overlooked for the sessions you do not expect to attend.

A number of subscribers called last year for "free" tickets. This is a mistake—we are only furnishing our friends who send us the items tickets.
